

License Variance Completion and Retention Incentives

Completion Incentive

Complete educational component of license variance = \$1000

Retention Incentive

Retain employment with program for 6 months after variance completion = \$1000

License Variance Completion and Retention Incentives | A Project of Caring for MI Future

Michigan AEYC has support available to staff of licensed child care programs on an approved License Variance for Lead Caregiver or Director Qualifications.

The Michigan AEYC License Variance Completion and Retention Incentives recognize those that have completed the educational component of a License Variance granted by LARA, and retain employment for a minimum of 6 months after completion of the variance requirements. Approved recipients of the License Variance **Completion** incentive will be eligible of a one time stipend of \$1000 upon completion of variance requirements. Approved recipients of the License Variance **Retention** Incentive will be eligible for a one time stipend of \$1000 upon 6 months of continued employment after variance completion. Stipends will be awarded to eligible applicants until funding is depleted or September 30, 2024.

Eligibility:

Applicants must be working in a licensed program a minimum of 20 hours per week. License Variance Completion Stipend applicants must submit proof of an approved license variance From LARA and evidence of variance requirement completion such as a CDA credential or transcript. Retention stipend applicants must submit a pay stub or letter from employer showing they are still employed 6 months after variance completion date.
