NEW MULTILINGUAL TRAINING MODULES AVAILABLE

Three new, free modules about supporting young multilingual learners are now available through Michigan Virtual! This SCECH-eligible series covers family engagement, vocabulary building, and reading development. To learn more visit <https://bit.ly/45XPcc9>.

The screenshot shows the Michigan Virtual Professional Learning Portal website. The browser address bar displays plp.michiganvirtual.org. The page features a search bar with the placeholder text "Search course name here" and a "Find Course" button. Below the search bar are filter options for Category, Credit Type, and Price, all set to "All". A notice states: "Effective February 19, 2024, we will adjust the pricing for certain course titles due to increased support and delivery costs. This change allows us to continue providing efficiency." Three course cards are displayed, each with a "Free" badge, a "miregistry" logo, and "Info" and "Register" buttons.
